

# Terrific Tuesdays!

The Third Day - Plants yielding seed and fruit...

*9 And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.*

*10 And God called the dry land Earth; and the gathering together of the waters called he Seas: **and God saw that it was good.***

*11 And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.*

*12 And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: **and God saw that it was good.***

*13 And the evening and the morning were **the third day.***

Lunch & Dinner Church is an extension of God's welcome, hospitality and fellowship. In Lunch/Dinner Church, we are invited to participate and practice God's ever-reaching embrace of his people; thus, at Brookstown and Christ Community, we are invited to become "practitioners".

A practitioner is intentional about embracing others in welcome, hospitality and fellowship. Practitioners participate for the benefit and blessing of others. Practitioners understand themselves as 'special agents' focusing on the welfare and inclusion of others. Practitioners are intent on extending the boundaries, benefits and blessings of community to include our guests. Practitioners are available to our guests and sensitive to the guidance of the Spirit in seeking to do no harm and do good in our conversations. Practitioners show up and commit to availability, acting as instruments of God.

Our Lunch/Dinner Church meets on Tuesdays (schedule is published weekly on this webpage). For those unable to attend church, Tuesday offers an early focus for the week. It also provides an additional lift for those who *are* able to attend worship on the weekend. Few other church events are regularly scheduled on Tuesdays, unlike wonderful Wednesdays! And ultimately, Tuesday seems to be an extraordinary day from a Hebrew perspective: in the first chapter of the first book of the Bible, the third day of creation was viewed by the Creator as **good**, TWICE! The only day of the first seven to receive such acclaim.

So, on Tuesdays, we will gather as a Community for the most favored Biblical practice of sharing a meal, anticipating the presence of the Risen Christ, and exulting in the blessing of a good, good day!
