

Presentation of Bibles

Introduction

As the Church Family of Brookstown UMC, we have the sacred obligation to share Christian love to others. This love is learned and strengthened by the truths we read in the Bible.

Led by the Holy Spirit, we have the blessed opportunity to nurture our children's Christian experience. It is important that we, as believers, provide living examples of God's LOVE for our children, and guide them in their faith journey. The Bible is a gift from God that teaches us His TRUTH.

Today, we present a personal Bible to each of our rising third graders, as a gift from our Sunday School program. May each of them be blessed by God's WORD.
